SUMMARY

I am a hardworking and ambitious individual with a strong passion for computer science. I am pursuing a **Bachelor's degree in computer science** at Taibah University, maintaining a high GPA.

My dedication to learn has enabled me to achieve excellent grades in core computer science courses. I am a quick learner with good problem solving and analytical skills, and I love a good challenge.

I have excellent communication and teamwork skills, enabling me to effectively collaborate within teams. I am currently looking for opportunity where I can apply my knowledge, gain industry experience, and contribute to the organization success.
